HOW STUDY POINT WORKS

Personal Online Tuition in the comfort of your own home.

Tutor Force is an online education platform that enables live and self-paced tuition connecting educators and learners. Our personalised and tailored approach means that all of the student's needs will be addressed.

www.tutorforce.com.au info@tutorforce.com.au

HOW TUTOR FORCE WORKS

1. Sign Up

2. Connect With A Tutor

3. Start LearningLive

Live Video / Audio Streams

Simulate face-to-face learning with video & audio feeds from teachers and students.

Chat Box

Communicate effectively with an easy to use chat box including emoticons.

Interactive Whiteboard

Write notes, solve math problems, draw diagrams, use graphs, and more, in real time.

Display a range of course materials from our Content Library during live classes.

Drag-and-drop files onto the Whiteboard to upload it on-the-go.
